Signs of Spring

Our window display to the world from the Church Hall has moved into a fresh new year.

We would like to ask you for photographs of the signs of new life around us – signs of Spring, flowers and bulbs in your gardens, buds on the trees, all the signs of the promise of new life.

Please send us your photographs and drawings and we will add them to the Church Hall windows.

You can send them to mail@nkchurch.org.uk or print them out yourselves and pop them through the church letterbox, or hand into the office any day between 9am and 12 noon.

Our Pledges for the Planet

Remember our Pledge Tree last year, covered with the green leaves of our pledges for the planet?

Some of our promises were to recycle and reuse, turn off the lights, use less hot water, walk more instead of using the car, use much less plastic, and reduce waste.

It's not always easy. How is it going for you?

Sofa Surfers

'What's That On Your Wall?' - Thursday 24 February at 7pm on Zoom.

Remember Lloyd Grossman and Through the Keyhole? Zoom meetings have given us a chance to see what is inside other folks's homes and made us curious to know the story behind so many interesting, treasured pieces of art on walls and tables.

Unravel the mysteries as the owners tell us why and how they chose or made them.

Midweek Service

We are going to pilot the midweek service in a different time slot.

From the beginning of Lent, on 2nd of March, and each Wednesday thereafter, at 11am (not 12 noon), we'll offer a short 15 minute service and then some coffee/tea and cake afterwards. We'll be in the Hall, and we will keep to all the COVID regulations, which will mean table service for coffee and mask wearing except when we have our refreshments. The hall will also be ventilated.

World Day of Prayer

The World Day of Prayer service this year takes place in Bearsden Cross Church on Friday 4th March at 11am.

There will be a limit on numbers, but there should be space for all.
