Summer Postcards – Keeping in Touch

Our community is all about connecting and supporting and caring for each other, especially the least.

This summer the Community Team would like to send out friendly greetings on postcards once again, as we did last summer, although it would be fabulous if we could offer postcards from further afield this year, now we are able to travel further (depending on flights & strikes!)

If you are going to be away, could you please consider bringing back 10 postcards and handing them into the church office? Blank cards are great, but if you have time to add a brief friendly greeting with the address left blank, that would be even better. And if you would like to join the team of volunteer postcard and address writers, please let Kirsteen Maclean know (mail@nkchurch.org.uk).

Thank you from the Community Team and enjoy your holidays!

Summer Services

Our shared summer services begin this Sunday, June 26th.

We're taking to the road for a road trip across the middle east visiting such places as... we'll we're not going to tell you because we'd love you to join us on the trip. No passport necessary and no visas, just yourself.

We're heading out with Abraham and being in New Kilpatrick this Sunday, 26th June, for four weeks and then travel ourselves to the Cross church from 24th July to 14th August.

We offer both the 9.30 creative service in the hall and the 10.30 classical service in the church all the way through the summer shifting resort to the Cross Church for both on 24th July. Hope you can join us.

SingSong!

The next meeting is this Tuesday, 28th June at 1.30 – 3pm.

SingSong! is open to anyone who likes a singalong of popular songs with a bit of fun, but also welcomes those who have a degree of memory loss. And, of course, we round it off with a cup of tea and chat.

Any more information can be had from Kirsteen Maclean, 0141 942 7603 or kirsteen7@btinternet.com

All necessary precautions will be taken to keep everyone safe and new and present members are very welcome.

Parish Communication

After your generous response to the request for visitors/phoners, we are now still needing two visitors and one phoner.

Would anyone who feels they can undertake any one of these please contact Kirsteen Maclean (942 7603) or kirsteen7@btinternet.com

Exploring the Future

We're taking a journey into the future after the pandemic and all the consequences from that on the church nationally and locally.

After the summer we will be organising opportunities for us all, as a whole congregation, to explore our future, talk to each other about it, think about who we would like to be, and what we need to think about and plan in order to do that.

It is an exciting, creative opportunity for us all, and we will give you more details soon on how we plan to do that so we are able to listen to each other and journey together into what we are yet to be.

Helensburgh Parish Church – 6th Annual Hymnfest

Sunday June 26th at 7pm in Helensburgh Parish Church - 6th annual Hymnfest.

Conductor: Derek Clark
Organist: Christopher Nickol

Retiring collection for Christian Aid.

Mask Wearing

We invite people to continue to wear masks in church as you feel comfortable, especially as we move around in the church, but there is no specific area for mask wearing. People are spread about a bit more and doors continue to be open to enable good ventilation, and hand gel is available for use at the doors.

We hope everyone continues to feel comfortable and safe. If mask wearers prefer a specific space, can we suggest that the far pews on the pulpit side tend to be for those wearing masks.
