

Wee Bulletin 21st January

Quiz Night

Quiz Night is back on a Tuesday at 7pm beginning this week.

Just log onto Zoom with the details below and we'll make sure your brain gets some cerebral fitness. We have a team of quiz leaders and will offer you a great variety of themes and general knowledge. It's really what a Tuesday night was originally designed for.

Coffee Pot

Every Friday: a chance for a blether and a cup of coffee of your own making.

The Zoom details are below, and you just log in from 10.30 on a Friday and catch up with all that is going on.

Sofa Surfers

Sofa Surfers returns on Thursday 27th at 7pm on Zoom.

We meet every fortnight thereafter up to Easter and then, depending on weather and restrictions, we hope to have some Sofa Surfer evenings in the garden, but more of that later.

So put the 27th in your diary for an evening that will intrigue us all, with insights, and a wee bit of wonder, having spent a pleasant evening with friends.

Songs of Praise

We're back from the beginning of February with our fortnightly songs of praise on Zoom. On Sunday 6th February, we'll gather round our Zoom

screens and join in the singing off some of our most popular hymns, along with the stories that go with them.

This is your chance again to pick some hymns you haven't sung in a while or new ones you'd like to try out, or a particular hymn that means something special to you. If you have a hymn or two you'd like to sing and can tell us a wee bit about it, then please contact Roddy (rghamilton@ntlworld.com) over the next fortnight with your choice. Even if you have chosen a hymn a number of times before, please send in your suggestions and, if you haven't chosen one yet, this is your golden opportunity. Otherwise, we'll all end up singing Roddy's favourites and you know how that will go down!

Diary

Friday	Coffee Pot, 10.30 Zoom
Sunday	Morning Worship in the Sanctuary at 10.30 Podcast, YouTube and phonline worship anytime
Tuesday	Quiz Night, 7pm, Zoom
Thursday	Bulletin published
Friday	Coffee Pot, 10.30, Zoom
