Many thanks to those who have handed in written postcards to the office, and many thanks to those who have indicated they will do so. Thanks are also due to those who have volunteered to address or deliver the postcards.

We are such a good community for volunteering, and a few more cards would get us to our target of 550, so if you have the time, we would be very grateful indeed. The deadline for the cards to be at the office is 20th July, so plenty of time to get a few in one of our local shops, or from wherever you are further afield. If you are unable to get out to buy cards, blank ones can be delivered to you, and any queries can be sent to kirsteen7@btinternet.com.

This project will hopefully put people in touch with one another. Thank you for your help.

If you need the services of a minister for the weeks July 10th - July 23rd, please contact Rev Alan Hamilton from Killermont Parish Church (942 7261), and for the week July 24th - August 1st, please contact Rev Graeme Wilson from Bearsden Cross Parish Church (942 0507).

Last call for dinosaurs. Any and every variety will be made welcome. You can pop in to the church through the letter box or manse door. The first of our windows will begin construction over July, so if you are passing, watch out. Lots of colour and originality as we head towards COP26.

We offer some global worship over the summer. It's like a summer cruise stopping off in different ports around the world. We also offer the chance to explore different styles and cultures, from high church to low church, Edinburgh to Nebraska. You'll find a selection of worship stops on the website. If, on your tour, you find other interesting online services, then please let us know, and we will add them to the list. Ever visited a Coptic or Orthodox service...?
