

# NK Wee Bulletin

13th August 2021

## Think Tank

How shall we be in the coming months? It is a question we are all wondering, perhaps. Restrictions have eased, but we don't quite feel able to do everything we once did; so, how shall we live as a congregation over the next few months?

Think Tank is an open group where anyone and everyone can voice their opinions and ideas and help shape what we are comfortable with and how we can organise that.

How might we blend Sofa Surfers? What about the quiz? How will our face-to-face groups manage? Nothing will be set in stone; the Think Tank is just a sounding board to get a feel for the lie of the land.

We will continually evolve in the next few months, and indeed years, but want to involve as many as possible in the ongoing discussion.

We meet on [Zoom Tuesday 24th August](#) at 7.30 for an hour.

## Intergenerational Communion

We share bread and wine in a unique setting on Sunday 22nd August. We'd normally have an intergenerational communion on that date, as Sunday School would begin, and we would gather as a whole community and celebrate.

Seems like a long time ago!

But that pattern continues, just in a different way. We will have a live Zoom service from the sanctuary, where we will create a setting to share bread and wine. Given restrictions in the sanctuary, we will create a service for all that will lead into sharing bread and wine at home. We will live in the 'not yet', the 'soon to be'; we will live into the hope, the journey, the adventure, rather than the arrival.

So, please do join us through whatever medium you feel comfortable with. We will be online with YouTube and Podcast and phonline, all of which will have the same service, which will also be live in the sanctuary and on Zoom. You'll find the link on the church website, or just [click here](#) and that will take you through to the table.

## Live-Streamed Service

If you would like to join us in church but don't yet feel able to be there, then we are beginning to live stream the service on Zoom. It will begin each Sunday just before 10.30 and finish about 11.10.

The link is on the website, or you can click [here](#). This will begin from the 22nd August.

The recorded video and podcast and phonline will continue as usual, and the service will be basically the same with a few adjustments for the setting.

New Kilpatrick Parish Church  
SC012997

## Zoomday School Picnic

We're out in the Manse garden again for the second Zoomday School picnic on 22nd August at 2pm, just after intergenerational communion.

If you have children who are Sunday school aged (any age up to 15), then please feel included.

If you do not already receive the Zoomday School weekly e-mail, then please contact the [church office](#) and we will subscribe you.

We'll have a bouncy castle, games, races, activities and garden art. The rain never stopped us last time, and it won't this time round either!
