A wee reminder that your very own homegrown, originally designed dinosaurs can be handed in to the church hall letterbox by 4th July. Stencils are on the [website](#), or you can go freehand. These will help create a fabulous evolving set of windows over the next few months, towards COP26.

"Dear Friend" is our latest community project. Thanks to everyone who has so far sent in postcards for our summer **community project**. With 550 people identified whom we think would enjoy receiving a greeting, we are needing a lot of writers!

The message, which would start "Dear friend", need only be a couple of sentences at most, maybe a comment on the location, maybe the usual British comment about the weather, or something even more imaginative, and signed off with just a first name. We are extending the date by which they can be delivered through the postbox at NK to the office to Tuesday 20th July. Cards can be supplied to anyone who would like to write a few and cannot manage to get them themselves and written cards can also be uplifted. They will each have a sticker saying "Greetings from NK" and a team who have offered, and may yet offer, will address and deliver them. Do please join in a way of further connecting us all.

If you can pick up postcards locally, that is great. Maybe you have some blank postcards you've brought back from previous holidays unused. These would be perfect. If you wish to make your own, even better, or just let us know because we have a big bundle of unused cards and we can get them to you.

If you would like to help, please contact kirsteen7@btinternet.com, or telephone 942 7603, or leave a message with the church office – 942 8827 - to say how many cards you plan to write.

This Tuesday is the last outing of SingSong! for the summer, as well as the quiz. Sofa Surfers and Coffee Pot finished last week, but all will return in some guise after the summer, depending on restrictions and if we can open halls and meet together again.

A huge **thank you** to all who have helped organise and lead all the various online activities over the last year. We've had a bundle of folk who have volunteered, put themselves out there and brought ideas and enthusiasm, but, most especially, time – a huge amount of it – so, thank you: you have encouraged us, engaged us, helped us laugh, given us pause for thought, brought a piece of the outside world into our living rooms, and helped us over the last year.

Now a wee break from being online.
Enjoy summer!

Zoomday School has finished for the summer but we are out having a picnic in the manse garden on July 4th. We haven't see each other face to face but the rules allow us to meet outdoors so we're having a picnic with treasure hunts, water games, garden art and a sunny day - hopefully.

Wendy O'Neil has let us know she is resigning from **Coffee Pot** owing to family commitments. A big thanks to Wendy for all the planning and organising over the time she has fed and watered us when we were able to do all that in the New Halls.

Wendy says, "I would like to thank all rota members and bakers for their past services, which has been very much appreciated, and I have enjoyed the camaraderie."
