New Kilpatrick Parish Church  
Open Hearts, Open Minds, Open Faith

Zoomday School relaunches for summer this weekend. So, a great big hello from them. Last week, despite being the last week before the summer, they decided to create a word that is perhaps one of the most important for us in the church: welcome. And they decide they wanted that to be what everyone hears and sees first in New Kilpatrick. So, we decided to put it right here, on the first page of the bulletin.

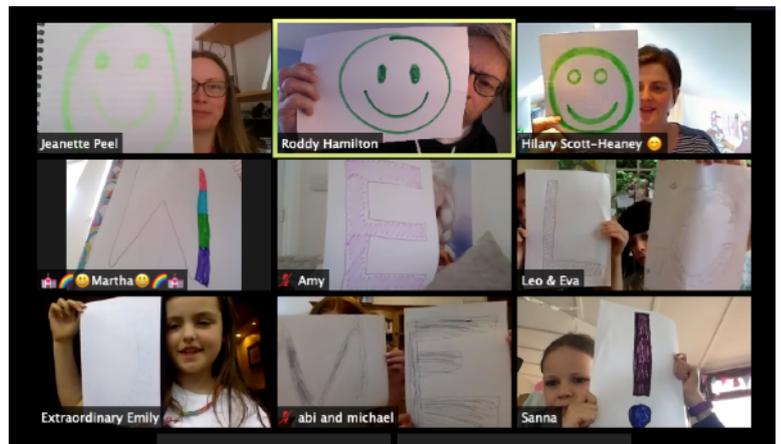

You'll see the beginners spelling it out, with a great big exclamation mark at the end.

The Sunday Clan did one as well.

So,  
WELCOME!

We're going to have these across the website, just

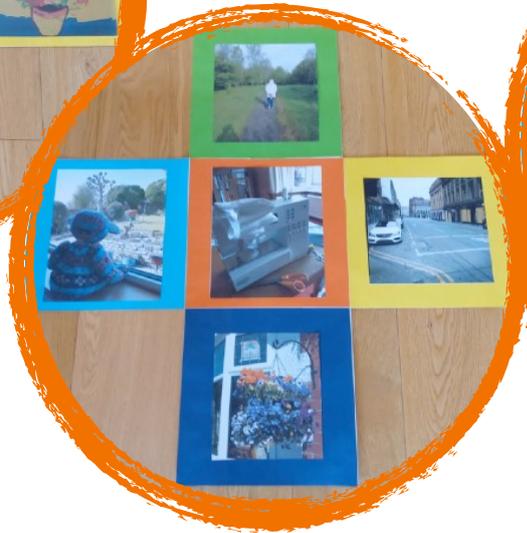

to let folk know that, while we can't meet in church, we do meet as church. Zoomday School continues all the way through summer, so if your children are of any school age and would like to pop in, contact Roddy who can sort out the rest.

# Lockdown Logo

We've been trying to find ways to tell our lockdown stories through photos and rainbows and poems. Jane Gordon has managed to gather a number of photos from people, and the church halls now display half-a-dozen logos, not with the stained-glass we normally use, but images from people's walks, gardens, activities, etc. You'll need to take a walk past the halls to see them and if, on the way you take a wee photo, then send it in and we'll create some more.

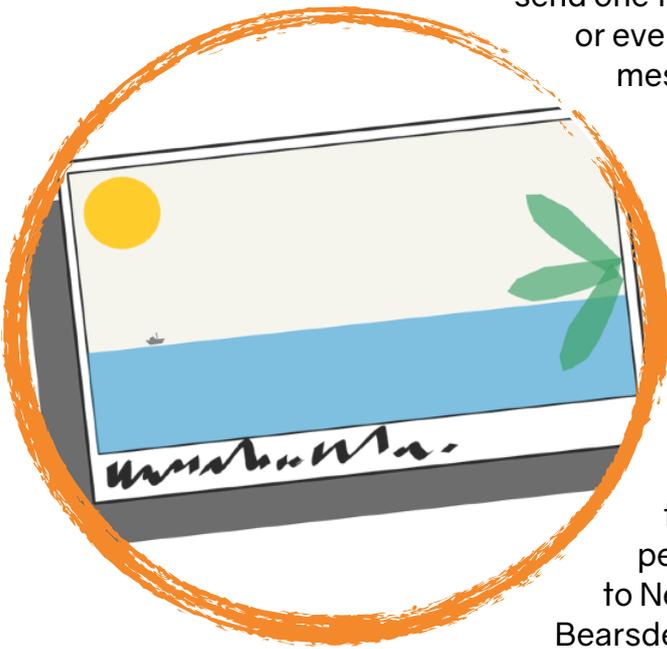

They tell something of the story over the last three months, some of the emotions and feelings as well as how we have filled our time and supported others. Thanks to all who have sent them in.

There is still time to post us any images of your lockdown experience. It could be the newly painted kitchen, the glorious garden, the study that has been left untidied because you just don't have the energy (bit like mine!), or the sewing you've done, the fixing you've fixed, the garden meetings, or even just some words that describe your time. They can be sent to the church and we'll create logos, all the red tinted pictures in the red box, the yellow in the yellow box etc...

# Postcards from Home

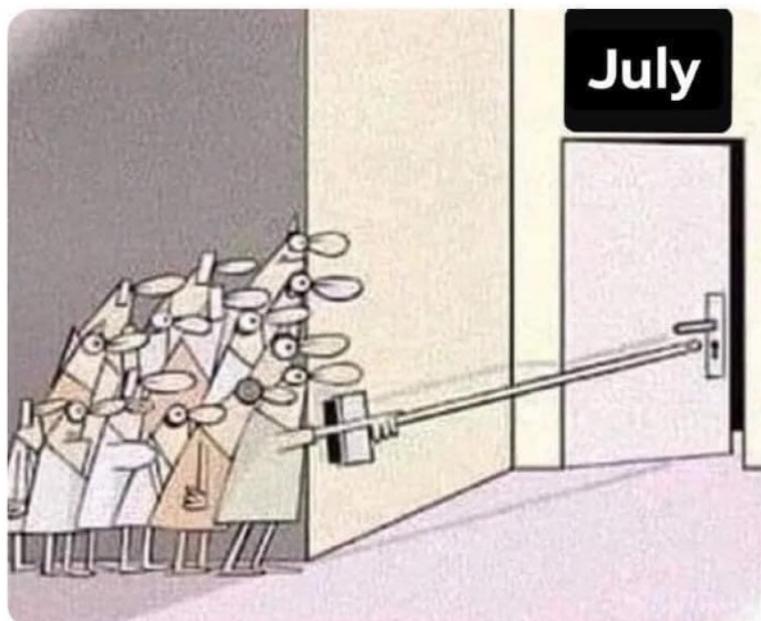

If you tune into the YouTube recorded service, you'll be invited to send us a postcard from wherever you get to this summer. We're not expecting any from a great distance - well we hope not anyway - but, wherever you end up, even for just a day trip then send one to us. It could be electronic, or through the post, or even just an email. It could be a photo with a short message sending greetings to the congregation.

What we're missing most is meeting people, general catching up, and a short, passing conversation. With lockdown, all that has to be organised whereas at church it can often be a simple passing 'hello'. So, let's do this: send a postcard to the congregation and we'll read out your greetings during our services.

We'd love to hear from you. So, even if it is from the bottom of your garden, that would be just perfect. Send to [mail@nkchurch.org.uk](mailto:mail@nkchurch.org.uk) or post it to New Kilpatrick New Halls, 28 Kirk Place, Bearsden, G61 3RT.

# Sofa Surfers right at the Museum

This week at Sofa Surfers, we offered a 'life hack' for exploring all the completely free resources online from many of the world's greatest museums, some of the best orchestras on the planet, some of the free conferences and learning and experiences, all free for us all. It is amazing what is out there. Here's a list of the links to some of them. Just click the museum or organisation and the link should take you directly to their page. Enjoy exploring.

# Zummer Zoomday School

Here's a few photos of what all those who come along to Zummer Zoomday School got left at their doors this week. Each was given a bag with a bundle of various bits and bobs that we're using to make games and activities each week.

Let your imagination run and try and work out what we might do on Zoom, with this bundle of random items. You can send us some ideas, if you wish, and we'll send some photos of what we get up to in return. In fact, no doubt you'll keep up to date with everything here in the Bulletin.

You can see about 35 bags; each one represents someone from the Sunday School, not including the ten from JFv2. So, with almost 40 children coming along each Sunday, Zoomday School is clearly the place to be.

## Roll Changes

Over the last month we have sadly lost:

Iain Garvie,	8/2, 8 Sinclair Street,	29.04.20
Henry Johnson,	3 Pentland Place	25.05.20
Irene Tod,	14 Ardlui Gardens,	27.05.20
Susan McManus,	9A Ledcameroch Road	07.06.20

We ask that you hold their families in your own thoughts and prayers at this time.
